

Malaria vaccine research funding, 1999-2006

Sources: Gates Foundation; NIAID; Wellcome Trust; Defense Department; USAID; Netherlands Ministry of Foreign Affairs; Malaria R&D Alliance

Research and development funding, 1999-2006

The Gates Foundation is second only to the U.S. government in total malaria research-and-development funding.

Sources: Gates Foundation; NIAID; Wellcome Trust; European Union; Defense Department; Medical Research Council; Malaria R&D Alliance

Funding for malaria control

Worldwide spending for malaria control and treatment has increased dramatically but still falls short of targets.
