Dear Sir or Ma'am,

I am writing this letter on behalf of a young man named Jerramy Stevens. I am very concerned of the well being and discipline of this young man. I am going to be both his position coach and academic mentor at the University of Washington.

When the allegations from a fight against Jerramy are resolved, we must take all necessary action to see this type of incident does not occur again. I feel with Jerramy under our supervision at the University of Washington, he will succeed in this goal.

I understand the seriousness of the charges that face Mr. Stevens. However, our background checks on this young man show nothing but high marks. We believe this to be an isolated incident. Under our discipline and supervision I believe Jerramy will show this to be true.

Please accept this letter as a recommendation that Jerramy Stevens will show growth and maturity as he recognizes the consequences of a poor decision.

Sincerely,
