STATEMENT OF FACTS
CONCERNING THE CRIMES

For the Burglary I was convicted and sentenced to a term of (60) sixty years of hard labor, (30) thirty years for the burglary and (30) thirty years for Theft of Property which was ordered to be served consecutive to each other, and consecutive to the other time I was already serving.

The home that I burglarized. There was nobody home and it was a cellular phone and other household appliances that I stole.

On my aggravated robbery conviction. The victim Karen Hodges and approached by myself and two other youths. (I was sixteen (16) years old at the time.), who robbed her of her purse! There was no gun involved and I was the only one convicted of the crime.

These are the only convictions/sentences which I am asking consideration be given on for executive clemency.

Thank you for your consideration.
IN THE OFFICE OF GOVERNOR MIKE HUCKABEE
GOVERNOR OF ARKANSAS

IN THE MATTER OF: MAURICE CLEMMONS

BRIEF IN SUPPORT OF EXECUTIVE CLEMENCY APPLICATION

Comes now the applicant, Maurice Clemmons (Pro Se), with his Brief in Support of Executive Clemency Application and does so set forth the following for consideration:

1.) There is absolutely no excuse/justification whatsoever for my past criminal behavior which ultimately led me to commit the crimes which led me to prison, and of which I now eleven (11) years after the fact seek mercy, via executive clemency. However, I pray that the following will be taken into careful consideration.

2.) At the time of the crimes I was (16) sixteen years old and had just moved to Arkansas from Seattle, Washington. Having just moved into a new neighborhood that was already crime infested and because I did not possess the social skills and/or the mental tools and ability to resist the negative peer pressure that was heavily placed upon me. I succumbed to the peer pressure and the need I had to be accepted by other youth in my new environment and fell in with the wrong crowd and thus began a seven (7) month crime spree which led me to prison.

3.) Please keep in mind that before this crime spree I had at no time in my life ever been into any kind of problems with the law. I come from a very good Christian family and I was raised much better than my actions speak. (I'm still ashamed to this day for the shame my stupid involvement in these crimes brought upon my family's name.) But, as mentioned, I was only (16) sixteen years old and had just moved into a very crime ridden neighborhood. Where I was unable to resist the negative influence of the other neighborhood boys because I only wanted to fit in and be accepted because I'd just moved away from all my
childhood friends and had no friends in Arkansas.

4.) Where once stood a young (16) sixteen year old misguided fool, who's own life he was unable to rule. Now stands a 27 year old man, who has learned through the 'school of hard knocks' to appreciate and respect the rights of others. And who has in the midst of the harsh reality of prison life developed the necessary skills to stand along and not to follow a multitude to do evil, as I did as a 16 year old child.

5.) Also, on _____________ ___, 19__, I was granted a new hearing in the Pulaski County Circuit Court where I was convicted and sentenced and the Honorable Judge Marion Humphrey in fact did reduce my sentence from ___________years to __________years.

But, the prosecutor appealed his decision to the Arkansas Supreme Court and after this appeal the Arkansas Supreme Court reversed the Judge's decision. Judge Humphrey did reduce the sentence. So you can see that I do have some merit to my claims cited herein. I am attaching the Court's Order for your review and consideration marked as Exhibit "A."

6.) The sentences I received even Judge Humphrey thought to be harsh considering my age and the biasness he discovered in the trial prosecution by the trial judge.

7.) Since that hearing the angel of death has visited and taken away my dear sweet mother and this more than anything has effected change for the good in my heart. Because now I have to live with all that I put her through I wasn't able to be with her and make her proud of me before she passed away.

I have never done anything good for God, but, I've prayed for him to grant me in his compassion the Grace to make a start. Now, I'm humbly appealing to you for a brand new start.

8.) My institutional record will reflect that I have had problems. Yet, Nonetheless, it will also reflect that change has occurred. And all things considered I think my institutional 'adjustment' (For it has been just that, an adjustment), has been exemplary and the ends of justice have been achieved, because I am no longer the same misguided youth I was (11) eleven years ago. I know I can if given the opportunity live a
productive life in society.

WHEREFORE, For all the forstated reason I Pray you will be compassionate to my situation and have mercy upon me by considering extending clemency to me in the form of a time cut, so I can go up before the parole board and possibly be paroled to my family. Where I am loved, missed and sincerely needed.

God Bless You for your time and consideration. It is so prayed!

Respectfully submitted,

Maurice Clemmons

RESPONSE:
I favor a time cut for Maurice Clemmons. Mr. Clemmons was 16 years of age when his cases began in this court. I do not know why the previous judge ran his sentences consecutively, but, concurrent sentences would have been sufficient.

Dear Mr. Clemmons

Enclosed you will find your copy of the Governor's Notice of Intent to Grant a Commutation. According to Arkansas Code Annotated §16-93-207, the Governor must give a notice of intent at least thirty days prior to granting a commutation, so that the public can comment. This is not a commutation of your sentence.

This notice does not preclude the Governor from denying the request for a commutation.

You will be contacted in writing as to the Governor's decision once the thirty days have passed.

Sincerely,

Robyne Culver
Assistant for Executive Clemency
