

1 28-20010010-12183847-12215712 (3:18)

2 PERSON 1: -- under bid

3 PERSON 2: Hey [*inaudible*] – so, oh, gasp – have you talked to your guys down on
4 the floor then?

5 PERSON 1: Nah, I tried to call up there two days, they wouldn't take the call.

6 PERSON 2: Oh, fuck.

7 PERSON 1: Gettin' whacked.

8 PERSON 2: I was short coming in today and then they're like, Oh, the HA number's
9 off –

10 PERSON 1: Yeah.

11 PERSON 2: -- could be over 200, you should cover, da, da, da –

12 PERSON 1: Can I let this guy go? That's holding your bid on the [*inaudible*] – at 204
13 best? [*voice in background*] At 204 best. Thanks, Mike. Yeah, I know, I know, the
14 AGA's are getting crushed. [*back to conversation*]

15 PERSON 2: I know. I was short too and I covered –

16 PERSON 1: You get nervous.

17 PERSON 2: -- two-thirds. Well, they keep saying, oh, it's 200, it's gonna be, it's
18 gonna go up a buck – blah, blah, blah, blah, blah, blah.

19 PERSON 1: Who's sayin' that? I heard like 185's the whole time. I never heard
20 200's.

21 PERSON 2: Well that's our Enron guys.

22 PERSON 1: Uh huh, exactly. Blowin' smoke up your ass.

23 PERSON 2: Fuckers.

24 PERSON 1: I know. I never listen to 'em. It kills me. Fuck.

25 PERSON 2: They stopped you out.

26 PERSON 1: Yeah, well.

27 PERSON 2: They laughed at you.

28 PERSON 1: Oh well. Fuck. Oh well. I shouldn't worry about it. It's only –

29 PERSON 2: It's only, uh –

1 PERSON 1: A hundred and something thousand. A hundred and fifty thousand.

2 PERSON 2: You make more money on the five cents you collect from the EES.

3 PERSON 1: I know, shut up.

4 PERSON 2: Come on!

5 PERSON 1: I know. I gotta relax. I shouldn't be doing that. Um, I had a question
6 for you.

7 PERSON 2: Shoot.

8 PERSON 1: Um, I forgot. Oh yeah, [inaudible] this guy from the Wall Street
9 Journal calls me up a little bit ago. He goes, "We talked to some people and we want
10 to do a story on a power trader in the west --"

11 PERSON 2: Oh my God!

12 PERSON 1: -- er, "a power trader. We've been told that you'd be a good candidate.
13 Would you be interested in doing it?" What do you think? No way, huh?

14 PERSON 2: Everyone's, I mean, go ahead, but everyone's gonna mock you out. It's
15 gonna be hilarious. It'll be plastered all over the place.

16 PERSON 1: Aw, I'm not gonna do it.

17 PERSON 2: It'll be cool, ah, but --

18 [REDACTED]

19 PERSON 2: Right. But everyone else that you know -- you're gonna get abused --

20 PERSON 1: Well --

21 PERSON 2: -- startin' with me.

22 PERSON 1: Oh yeah, oh yes we've made, uh --

23 PERSON 2: Remember when Thomas --

24 PERSON 1: -- remember they lost 11 billion? Well, you know how much of that we
25 got? Da, da, da --

26 PERSON 2: Remember when Thomas and Cory did that whole thing?

27 PERSON 1: What Cory thing?

28 PERSON 2: And George [Raddan]?

29 PERSON 1: Oh yea.

1 [REDACTED]

2 PERSON 1: *[inaudible]*

3 PERSON 2: Do it! Do it.

4 PERSON 1: Why?

5 PERSON 2: I think you should do it. It's kinda an honor to be in the Wall Street

6 Journal.

7 PERSON 1: Yeah, you know why? They're just gonna use, I'm gonna get people to

8 use shit against me. Oh, well this is what we do – see this Enron online, see? Now

9 see?

10 PERSON 2: Exactly.

11 PERSON 1: I'm at *[inaudible]* here – oh, let's just fuck with this guy just for fun

12 because I'm bored. OK, hey, I'll buy you're 1 at 5.

13 PERSON 2: The thing is, anything they'd ask you, you'd have to lie because you

14 wouldn't want to tell them the truth because you want everyone to know the truth.

15 PERSON 1: Oh yeah, it's all brokers, we all go down, we do trips to do team

16 building.

17 PERSON 2: *[laughs]*

18 PERSON 1: We do 20/20 things. *[inaudible]*

19 PERSON 2: *[laughs]*

20 PERSON 1: I'm gonna tell 'em about that.

21 PERSON 2: Don't do it. Then your life would be over.

22 PERSON 1: What?

23 PERSON 2: Your life would be over.

24 PERSON 1: Don't do it! Are you gonna do it?

25 PERSON 2: Naw, I doubt it. I don't know. It's kind of like an honor, but I

26 wouldn't do it.

27 PERSON 1: I wouldn't do it. 'Cause first of all, you'd have to tell 'em a lot of lies,

28 'cause if you told the truth –

29 PERSON 2: I'd get in trouble.

1 PERSON 1: You'd get in trouble.

2 PERSON 2: OK.
